**Subject:** NO SAFE LEVEL OF GLYPHOSATE  
**Date:** Wednesday, June 21, 2017 2:43:15 PM

---

Dear Ms. Barajas,

There is NO safe level of glyphosate. The effects of glyphosate on our children, natural resources, and physical health are all negative and damaging.

Please keep this chemical away from our food, children, and homes.

Thank you,

Ray Tadena
